Article I
Administration and Procedures

§ 350-5 Definitions. [Amended 12-7-2023, effective 12-7-2023 Use by special use permit eliminated in Farm Product Processing]

FARM PRODUCT PROCESSING

The processing of all agricultural products raised on the premises as defined in this section subject to all applicable state and Town regulations and licensing requirements. The processing of agricultural products not raised on the premises is **not** allowed . This definition specifically excludes any processing activities that would by their very nature be typically processed in a commercial or industrial location, including but not limited to any process that would use hazardous materials as defined by the U.S. Environmental Protection Agency and the U.S. Occupational Safety and Health Administration or generate objectionable odors, dust, noise or smoke and all uses listed in § **350-12**, Prohibited uses.
